Christian Focus Group

Dear friends, for some time now I have been wrestling with the challenge of how to gain answers to dilemmas which are often created as a result of not being able to identify solutions to questions that frequently arise when I'm reading the Scriptures or scripture related books.

On the basis that I'm not the only person who faces these situations, I am considering starting what would be a small group of people to perhaps act as a support to each other when trying to deal with the many challenges attempting to live the Christian life in today's secular world presents. If you are interested perhaps, in the first instance, you could let me know either by e mail at james.geard@hfmwealth.com or alternatively give me a call on my home telephone number 01483 473493. I can then gauge likely numbers. I look forward to hearing from you James Geard

A Walking Tour through the Bible

The second session will be on Tuesday 1st May at 8pm and will be led by John Fenner. John is a lawyer and a member of the United Synagogue, as well as being an accomplished and interesting speaker, and will give us a Jewish insight into the Book of Exodus. This will be held at St Hugh of Lincoln, further info on the parish website. <http://www.sthughoflincoln.org/> All are invited, all are welcome.
